

FelicityTM
— best solution of furniture

About Us

Felicity Design was incorporated in 2016 after 11 years of extensive R & D in the furniture industry, with an objective to excel in the furniture industry. Since then, our company has been working as a prominent Manufacturer and Supplier of Modular Work Station, Table, Sofa, Restaurant Chair, and Office Chair etc. These products are perfect to be used in hotels, reception areas, offices, colleges, restaurants and conference rooms for seating purposes.

Our company believes in providing the best quality furniture that promote the idea of affordability and comfort ability. Thus, we designed and developed these furniture keeping all these factors in mind. We also focus in offering value added solution and designing sturdy furniture. Due to this approach, we are acquiring a better position the market.

We have an experienced team of professionals who design and manufacture the entire furniture range in innovative designs as per client's requirements. They are also highly dedicated and committed towards meeting the bulk orders on time and achieving the business goals of the company. Their strategies and dexterity have also made us sure to attain a better position in the market.

Apart from this, our company has been serving the demands of many clients owing to our customer centric approach, best price & quality, ethical business policy and sound manufacturing capability.

Company Mission

To grow in the market by serving the clients with the finest office chair, sofa and other furniture that stand up to their expectations.

To render excellent services to the esteemed customers through our after sales support.

Quality Assurance

For our organizational success, quality is of major concern. Therefore, we emphasize more on the quality of our offered products. We have a pool of quality controllers who ensure that the offered chairs and other furniture are designed in line with international quality standards. They also conduct different tests for assuring the quality of the final products on the parameters of design, look, finish and strength.

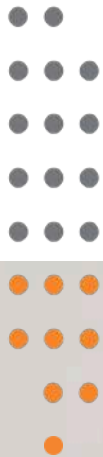

Client Satisfaction

Our company has implemented and followed client satisfaction strategy throughout all the business operations. This strategy includes friendly attitude towards clients, timely delivery of products and flexible modes of payment. Our firm believes in making and maintaining long term relation with the clients. We also work in coordination with clients to comprehend their expectations and requirements. Owing to the above mentioned factors, we are acquiring maximum client satisfaction.

Infrastructure Facility

The company has constructed a sound infrastructure unit to make the business processes more efficient and fast. This unit is further segmented into several other operational departments of production, quality examination, storage and packaging. The machines that are installed in these departments are regularly updated, oiled and maintained to increase the production rate.
